

TEA POUCHES

Mighty Leaf's Artisan-Crafted Whole Leaf Tea Pouches. Elevate your customers' tea experience, and exceed their expectations to a level that redefines the meaning of tea. Our anciently inspired philosophy of tea is rooted in the art of meticulously handcrafting whole leaf teas that touch all of the senses. Lusciously full and nuanced flavors are heightened by intoxicating aromas with vibrant leaves and blossoms. Our signature whole leaf blends come wrapped in our handcrafted, silken and award-winning biodegradable Tea Pouches.™ Originally designed in 1996, our specially created Tea Pouches™ filled with whole tea leaves, chunks of fruit, spices and flavors too big for ordinary tea bags, are stitched with unbleached cotton and are without glue or staples. Our unmatched proprietary process allows for larger whole leaves, without limitation to size, in a precision pre-portioned serving, offering a superior alternative to the more labor intensive loose tea preparation, translating to an unsurpassed tea experience. The Mighty Leaf Tea presentation is beautifully styled in a number of options to work with your aesthetics and is a well-implemented tea program that offers a convenient format for your wait staff as well. Handcrafted quality throughout...

"it's the thread that runs through Mighty Leaf."
